PROFESSIONAL SUMMARY

Aspiring Java Developer with a solid understanding of object-oriented principles and hands-on experience in building Java-based web applications. Skilled in Servlets, JSP, JDBC, and SQL queries. Looking for an opportunity to grow and contribute to innovative development projects.

PROFESSIONAL EXPERIENCE

Accenture Nordics – Software Engineering Virtual Experience

Hands-on experience in software development: architecture, security, coding, agile, and testing.

PROJECTS

Campus Crime Alert System
Team Size : 3
Tech Stack : Java, MySQL ,Servlet , JSP, JDBC
- Build an Campus Crime Alert System to report, track and notify users of security incident in real time.
- Implemented secure authentication with role-based access for students, staff, and administrators.
- Designed an analytics dashboard to monitor incident trends, hotspots, and response metrics.
- Ensured a responsive user interface optimized for mobile platforms.

Revolutionary Restaurant Inventory System
Team Size : 4
Tech Stack: Java, MySQL, Servlet, JSP, JDBC
- Built an inventory management tool for restaurant item tracking and alerts.
- Created secure login and admin panel for access control.
- Designed analytics dashboard for monitoring usage trends and low-stock alerts.
- Ensured responsive UI for desktop mobile platforms.

Student Login Registration Page
Tech Stack : Java, MySQL, Servlet,JSP
- Developed a secure student login and registration system with form validation.
- Designed user-friendly registration and login forms with responsive UI.
- Stored user credentials and profile details securely in MySQL database.
- Ensured proper error handling and field-level validations for better UX.

SKILLS

Programming Languages : C, C++ , Java

Core Concepts: Object-Oriented Programming (OOPs), Data Structures, Algorithms

Backend Technologies: Servlet , JSP, JDBC

Database : MySQL

Tools & IDEs: Eclipse, IntelliJ IDEA, Visual Studio Code

Web Development : HTML , CSS , JavaScript

EDUCATION

Bachelors of Technology, Computer Science Engineering–7.5 CGPA   2022–2026
Shri Vaishnav Institute of Information Technology, SVVV, Indore

Higher Secondary–77.7%   2020
St.John's Higher Secondary School ,Chapda

High School–88.7%   2018
St.John's Higher Secondary School ,Chapda

CERTIFICATES

- **Software Engineering Job Simulation –** Skyscanner (via Forage)

- **Hands-on training in C, C++ and OOPS -** (Universal Informatics)

- **Hotstar Clone Web Development Bootcamp –** (Microsoft Learn Student Ambassadors)
